

EDUCATION

Master of Science in Plant Biology

University of Georgia, 2025

Bachelor of Science in Biology

Georgia State University, 2020

WORK EXPERIENCE

Assistant to the Associate Dean, The Graduate School

University of Georgia | Athens, GA

May 2025 - Present

Administration and Office Operations

- Manage calendar, phone, and email correspondence for the Associate Dean and the Associate Dean's Office
- Review and approve 150 Regents' Research Out-Of-State Tuition (ROOST) waivers annually
- Review and approve 700 course approvals annually through the Course Approval Process Automation (CAPA)
- Prepare student appeals packets and schedule appeals hearings for the Graduate Council Appeals Committee.
- Gather and prepare program proposal packets and manage the approvals for the Graduate Council Program Committee through 2 channels of communication

Technology and Software

- Microsoft Office (Word, Excel, Outlook, Teams, and Powerpoint)
- Google products (Docs, Sheets, and Slides)
- University specific software (Slate, Athena, eLearning Commons, Ellucian (Banner, DegreeWorks)
- Zoom

Event and Meeting Coordination

- Schedule and coordinate the Graduate School Lunch and Learns and Directors of Graduate Studies workshop for Directors of Graduate Studies and Graduate Program Administrators campus wide
- Assist the run of show for 8 Annual Graduate School events for students, alumni, and campus stakeholders

Finance and Budget Support

- Process quotes, invoices, supply needs and expense reimbursements for the Associate Dean and the Associate Dean's Office
- Communicate with vendors and campus stakeholders regarding events and merch items for the Graduate School

National Science Foundation Graduate Research Fellow (NSF GRFP)

2022 - 2025

Georgia Research Education Award Fellow (GREAT)

2020 - 2022

University of Georgia | Athens, GA

Grant Writing

- Research funded through 5 grants and fellowships that I applied for and received totaling \$252,000

Conservation Research

- Designed and implemented conservation-focused research projects, contributed to habitat assessments and biodiversity surveys, and supported data collection and reporting for southeastern conservation initiatives
- Conducted field sampling, plant specimen collection. and ecological measurements

Computational Genomics

- Analyzed genomic datasets using bioinformatics and phylogenetic tools
- Managed and curated large biological datasets
- Developed scripts (Python, R, R Studio, and Linux - Sapelo2) for data processing and visualization

Herbarium Work

- Prepared, mounted, and cataloged plant specimens following herbarium standards
- Supported herbarium organization, curation, and outreach efforts
- Trained in sampling techniques for herbarium plant tissue

Teaching

- Taught Plant Taxonomy course at undergraduate and graduate levels for the Plant Biology Department under the direction of Dr. Tanisha Williams

AWARDS AND FELLOWSHIPS

UGA Plant Center Dissertation Improvement Grant (PC-DDIG)

- Received in 2023 with funds totaling **\$3,500**

National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP) Recipient

- Received in 2022 with funds totaling **\$162,000**

UGA Plant Biology Haines Family Field Botany Award

- Received in 2022 with funds totaling **\$1,000**

Georgia Research Education Award Traineeship (GREAT) Recipient

- Received in 2020 with funds totaling **\$84,000**

UGA Plant Biology Palfrey Research Grant

- Received in 2023 with funds totaling **\$1,500**

Southeastern Center for Conservation; Atlanta Botanical Garden; University of Georgia.

VOLUNTEER EXPERIENCE

UGA Herbarium, Plant Biology Department - Athens, GA

- Prepare, mount, and catalog plant specimens following herbarium standards
- Assist herbarium curator and manager with herbarium collection, initiatives, and outreach efforts

Books for Keeps (BFK) - Athens, GA

- Organize donations from local organizations and schools
- Distribute books to local community service organizations and schools for free children's book fairs

Coalition of Athens Scientists (COAS) - Athens, GA

- Social Media Coordinator
- Manage the digital presence of the organization
- Distribute information regarding events and science policy.

UGA Field Safety Initiative - Athens, GA

- Planning Committee Member
- Organize programming for the annual town hall presentation at UGA for field safety and equity

SKILLS OVERVIEW

- Microsoft Office (Word, Excel, PowerPoint)
- Google (Sheets, Docs, Slides)
- Student Information Systems (Slate, Athena, ELearning Commons, Ellucian (Banner and DegreeWorks))
- Coding Systems (QGIS, ARC GIS, R and R Studio, Linex - Sapelo2)
- Research (Grant Writing, Database and Collections Management, Data Analysis, Peer Reviewed Publishing)

PROFESSIONAL MEMBERSHIPS

Botanical Society of America (BSA)

Council on Botanical and Horticultural Libraries (CBHL)

Georgia Library Association (GLA)

Black Faculty and Staff Organization (BFSO), UGA Chapter

COURSES AND CERTIFICATES

AI Literacy for All - University of Georgia x Digital Education Council - Course - Completed July 2025

Data Analytics - Georgia Public Library Service x Google - Certificate - Completed August 2026
